It's In The House // Friends and Family

Pastor Jimmy

2 Kings 4:1-7

"It's in the House"

- 1 She was a widow who was out of resources because of her husband's death. Has there ever been a time in your life where your natural source of provision changed (such as a job loss or change) and you had to trust God to provide in a new way?
- 2 "Deficits will cause you to look for your destiny", is there a current deficit in your life that God is calling you to look at deeper in order to find your destiny?
- 3 She received the word and acted on it right away. What action is God calling you to in this season of your life? What step or steps do you need to take to obtain?
- 4 "The creditor is coming" - What she perceived to be lack in her life was not just going to affect her but the legacy that she was nurturing. What she did have when she applied it to the word of God in her life saved her and her children. Take a moment to think about who would be affected by your obedience?
- 5 The oil is a representation of God's Spirit pouring out, this oil, His spirit pours out when we seek Him, hear Him, and follow His leading. This is being spirit filled and spirit led.
 - a. The Holy Spirit is not a feeling, but part of the Holy Trinity sent to empower us to be God's witness wherever we go.
 - b. Take the time to talk about the Holy Spirit and ask if anyone wants to pray to be filled with the Holy Spirit.
- 6 We invite you to take a new look at what you perceive to be a deficit, it is causing duress or stress in your life? What does God say about this? Find a few scriptures as a group to share to encourage everyone to seek God AND be obedient to what he says.
